THE POPE'S INTENTION FOR NOVEMBER is for anyone grieving the loss of a child. What do the monthly intentions mean? After a process of long discernment within the Church and in consultation with dioceses and other various bodies within the Holy See, the monthly intentions for the year are decided. Pope Francis entrusts us, the faithful, his prayer network, with these intentions that express his great concerns for humanity and for the mission of the Church. It is an action plan to send us out each month, through prayer and mission, a proposition that invites us to build a more humane and caring world.

PRAYER: Mary, you who are Mother of all, welcome into your heart those who are going through the pain of the loss of a child. You know the pain of loss, on Good Friday, and the feeling of absence and silence in the waiting for the Sabbath. There are no words to fill the void, it is a goodbye that will always await the resurrection of the Sunday of glory. We believe in that day, as Mary did, and we await the definitive reunion. But while that is still to come, for those who suffer this pain, we ask for the Spirit of consolation, capable of giving life where there is death, and to set on the way those who have fallen. Give us the grace to be communities that shelter and support parents who have lost a child and who are living proclamation of the definitive life that will reach them. Amen.
